Weed 'n' Feed

GRANULAR

Yates® Weed'n'Feed™ controls clover, flatweeds, dandelions, thistles and certain other broadleaf weeds, and at the same time, adds nutrition to your lawn, promoting lush green growth. Ideal for use on all common lawns including Kikuyu, Couch, Buffalo, Ryegrass, Fescue, Bent & Zoysia.

HOW TO USE:
DO NOT apply to lawns less than 6 months old or during hot or windy weather. Avoid application to acid soils.
DO NOT apply to non-grass lawns such as clover and dichondra.
DO NOT exceed the rate of application.

SITUATION	WEEDS CONTROLLED	RATE
Grass lawns including Ryegrass, Bent, Couch, Kikuyu and Buffalo.	Dandelions, clover, flatweeds, thistles and other broadleaf weeds.	One adult handful holds approx. 50g. Apply 1kg (20 handfuls) over 15 square metres.

NOT TO BE USED FOR ANY PURPOSE OR IN ANY MANNER CONTRARY TO THIS LABEL UNLESS AUTHORISED.

HOW TO APPLY

- Measure lawn area before application.
- Calculate the amount of Yates® Weed'n'Feed™ Granular required.
- Apply Yates® Weed'n'Feed™ dry on to moist grass when weather is fine. Leave it on for 2 days, then water thoroughly.
- Your lawn will turn black for a few days, but will recover to its normal state.
- Apply in still conditions.
- Spread evenly and accurately.

The contents of this pack will cover 187.5 square metres. Repeat applications at six weekly intervals to maintain a lush weed-free lawn.

CAUTION:
DO NOT allow material to spill or blow over onto hard or non-lawn surfaces. Dry sweep immediately. For the first few days after application, avoid walking from the treated areas on to concrete or any non-lawn surface area as heavy staining may occur. Keep pets and children off treated areas until product has been watered in. DO NOT breathe dust. Avoid contact with skin and eyes.

To prevent staining during handling, avoid contact with clothes and wear gloves.

DO NOT allow chemical or chemical containers to get into drains, sewers, streams or ponds.

STORAGE & DISPOSAL:

Store in the closed original container in a cool dry place out of reach of children and pets. Do not store in direct sunlight. Dispose of empty container by wrapping in paper, placing in plastic bag and putting in garbage.

FIRST AID:

If poisoning occurs, contact a doctor or Poisons Information Centre. Phone Australia 131126.

FOR EMERGENCIES ONLY, CALL 1800 033 111

LIABILITY: This product must be used strictly as directed. Yates® will not be liable for any loss or damage arising from a failure to strictly follow the directions for use.

ANALYSIS:	
Total Nitrogen (N) as Ammonium sulfate	5.0%
Total Iron (Fe) as as Ferrous sulfate	5.0%
Total Sulfur (S) as Sulfates	8.5%
